TABLE OF CONTENTS

[Product Line Index](#)
[Category Index](#)
[Price List](#)

This document consists of three major sections as per the TABLE OF CONTENTS listed above. An Index Sorted by Product Line, an Index Sorted by Category and finally a detailed Price List. The price list is physically arranged in group order. Groups are like categories. Group codes appear in the right column of each index and near the right margin of each group as it appears in the Price List.

All of the information shown in this document is the same as that shown in our web store at: www.richmondrc.com > Consumers > USA - \$USA . www.richmondrc.com is owned and operated by Richmond RC Supply Ltd. The category groupings, part numbers, descriptions and prices shown here matched the web store information when this document was produced. See the price list footer lines for the date and time of production.

This document contains "Smart Links". Smart Links are embedded in the document and will appear blue on most monitors when viewed using Acrobat Reader. Smart Links work best when the viewing computer is connected to the Web. Smart Links to bookmarks internal to this document will work in Acrobat Reader even when you are OffLine).

Smart Links turn this document from a handy reference when printed, to an extremely powerful tool when viewed OnLine using Acrobat Reader. Acrobat Reader is available at no charge from www.adobe.com

Here is a guide to using Smart Links:

2. When Descriptions are blue, click on the description text to see more information about this item.
3. When Part Numbers are blue, click on the part number itself to see a picture of the item.
4. When a Navigation string appears in the footer area below a group price list, you can order items in this group OnLine by following the Navigation string.
