28 ml (1 oz fl)
#VCA-CA+28
www.richmondrc.com

AVERTISSEMENT: Colle instantanément la peau. Éviter tout contact du contenu avec les yeux, la bouche ou la peau. Tenir hors de la portée des enfants. Lire les conseils de premiers soins.
PREMIERS SOINS: Contient du cyanoacrylate. Paupières ou lèvres collées: Consulter un médecin. Ne pas tenter de décoller. Peu collé: Séparer graduellement pour ne pas déchirer la peau. Au besoin tremper ou se servir de dissolvant pour vernis à ongles. Simples bavures sans adhésion: Rincer immédiatement à grande eau.
INSTRUCTIONS: Pour ouvrir, incliner le capuchon protecteur et tirer. Démouler le bouchon réutilisable de l'applicateur. La colle est prête pour utilisation. Appliquer une goutte par pouce carré sur une des surfaces. Joindre les pièces. Tenir fermement pour 10 secondes. Les pièces seront assemblées presque immédiatement. Remettre le bouchon réutilisable sur le bout de l'applicateur pour bien le sceller. **TOUTOURS REMETTRE DANS LE CONTENANT APPROUVE SECURITAIRE POUR LES ENFANTS.**

Imported by/Importé par Richmond RC Supply Ltd.
Delta, BC V4G 1H9 CANADA

WARNING: Bonds Skin Instantly. Avoid contact with eyes, mouth and skin. Keep away from children. Read first aid instructions. **FIRST AID TREATMENT:** Contains cyanoacrylate. Eyes or mouth bonding: Seek medical aid. Do not force apart. Skin contact without bonding: Flush immediately with water. Skin bonding: Excessive force may tear skin. Ease apart gently. Soaking in water or applying nail polish remover may assist.
DIRECTIONS: Point bottle away from you and remove overcap. Snp nozzle end with sharp knife or scissors. Ready to use. Apply to one surface only, one drop to square inch. Position and Snp parts gently together for instant bonding. After use, re-install overcap and Snp nozzle end with sharp knife. Do not use in a confined space. Use extra tips. Cut nozzle down by about 5/8 inch then adjust length of nozzle until fits snugly.
